Kumon Center of Kirkwood*

*Gaylerd Quigley  
Nerinx Hall HS*

**Executive Director**

Brian Vaccaro

**Operations and Communications**

Hannah Rainey

- 1. Concert Sponsorship:** one or more St. Louis Classical Guitar concerts (depending on sponsorship level) would feature sponsor's logo and contact info on concert program, an ad in our digital program book, verbal mentions from the stage, and information at our merchandise/info table at sponsor's discretion.
- 2. Sponsor a Classroom:** Sponsor's contribution is directed toward a specific school within our "Guitar Horizons" education program. This would make it possible to fund the time that our teaching artists spend in a classroom as well as the instruments, accessories, and curriculum used in that classroom. If the sponsor does not have a preference of school, SLCG can select one on the sponsor's behalf.
- 3. Sponsor an Educational Event:** Sponsor's contribution can be directed toward the full or partial funding of any one of the following education-oriented events: our Guitar Solo, Ensemble, and Sight Reading Festival, our All Metro Guitar Day performance featuring many of the students from our Guitar Horizons program, one of the masterclasses with our featured concert artists, or our annual artist residency where one of our featured concert artists visits local schools.
- 4. Community Engagement Sponsorship:** Sponsor's contribution could fully or partially fund one of our Community Engagement activities such as our "Local Spotlight" Concerts, our Community Guitar Orchestra, or our "Open Stage" events.
